• The first selection round is based on photos of your products and stand setup/appearance.
• You will be notified via email if your application has been successful and will receive the info pack and accreditation. Please do not make payment unless you have received your approval letter.
• Approval emails to be sent out on the 15th of the month prior to the market or up to 5 working days after submission.
• If you do not receive an approval email, please be advised this means you have been automatically added to our waiting list and are not approved for the market day.
• Try keep your product offerings fresh and exciting.
• Products must not be mass produced or infringe on any copyright.
• We prefer products that are proudly South African and/or hand crafted.
• Preference will be given to unique products that are not readily available in shops.
• We try limit our intake of each item/product and no items/products may be displayed without pre-approval.
• There is no exclusivity. We reserve the right to choose and approve stands at our own discretion.
• We will be rotating the stands, at our discretion, every quarter to keep the market fresh and exciting for the patrons.
